

A survey about possible community moorings in London

The purpose of this survey is to find out about what boaters would want or expect from a community mooring, as well as what kind of contribution they would be prepared to make towards a community mooring.

A community mooring is described as 'a mooring that is owned by and/or operated by a group of boaters'. However this is a suggested meaning only and alternative definitions are welcomed (see second question).

1. Would you be interested in being part of a community mooring group?

Yes No Possibly Other (please state)

2. How would you wish for 'community moorings' to be defined/ described, if different to the above description?

3. What would be your main priorities when considering a mooring site?

Please mark with an X for each factor.

	Not at all important	Quite unimportant	Neither important nor unimportant	Quite important	Very important
Cost					
On-site facilities (water, rubbish/recycling, showers, toilets)					
Access to services (pump-out, fuel, gas)					
Safety/ security					
Community					
A family/ child-friendly site					
A site with 'ground rules' re: anti-social behaviour (noise etc)					
Offering something to the wider community, e.g. cafe, events etc.					
Flexibility of moorings					
Being involved in decisions about how the site is managed.					
Other (please state)					

4. Which of the following would you prefer? Please circle.

- Moorings with a set standard/ range of facilities at a fixed price
- A range of moorings, each with a different range of facilities at a different price.
- Other (please state)

**5. How long should residents be able to book moorings for?
(Please select as many options as you wish)**
